NEW AND FASHIONABLE beartfelt thanks for the great benefit I have received from an article called Petroleum or Rock oil, of which yen are the sole proprietor. I had occasion to use it about the 1st of January in a violent attack of rheumatism, which was very painful, flying about from place, accompanied with much swelling so as to keep me in constant torture. I used the Petroleum externally, a few applications of which removed all pain and every symptom of the disease. I am now entirely well, and would take this occasion to recommend TAILORING ESTABLISHMENT.

Dr. Wistar's Balsam of Wild Cherry. It was well known many years ago that the Wild Cherry tree bark of this climate possessed valuable medicinal qualities. Indeed this fact was known to the aborigines, and decontions of the leaves or bark of this tree has ever been regarded by their physicians as one of the most effectual remedies in many diseases. This fact, several years since, arrested the attention of Dr. Wistar, a highly respectable practitioner of Virginia. He investigated with care the healing properties of the Wild Cherry—tested its effects when administered alone, and when in combina-tion with other remedial agents. He found that its natural virtue might be greatly improved, and by combining it with ingredients whose properties were all well proved and generally recog-nized, a medicine was produced which constitutes a remedy of great importance in Pulmonary affections, and diseases of the Chest and Throat The genuine Wistar's Balsam of Wild Cherry has a fac simile of the signature of Henry Wistar,
